

AUTHORISATION MEETING ABOUT A PROPOSED NATIVE TITLE DETERMINATION APPLICATION

Ankamuthi Native Title Group

Thursday 27 March 2025

Injinoo

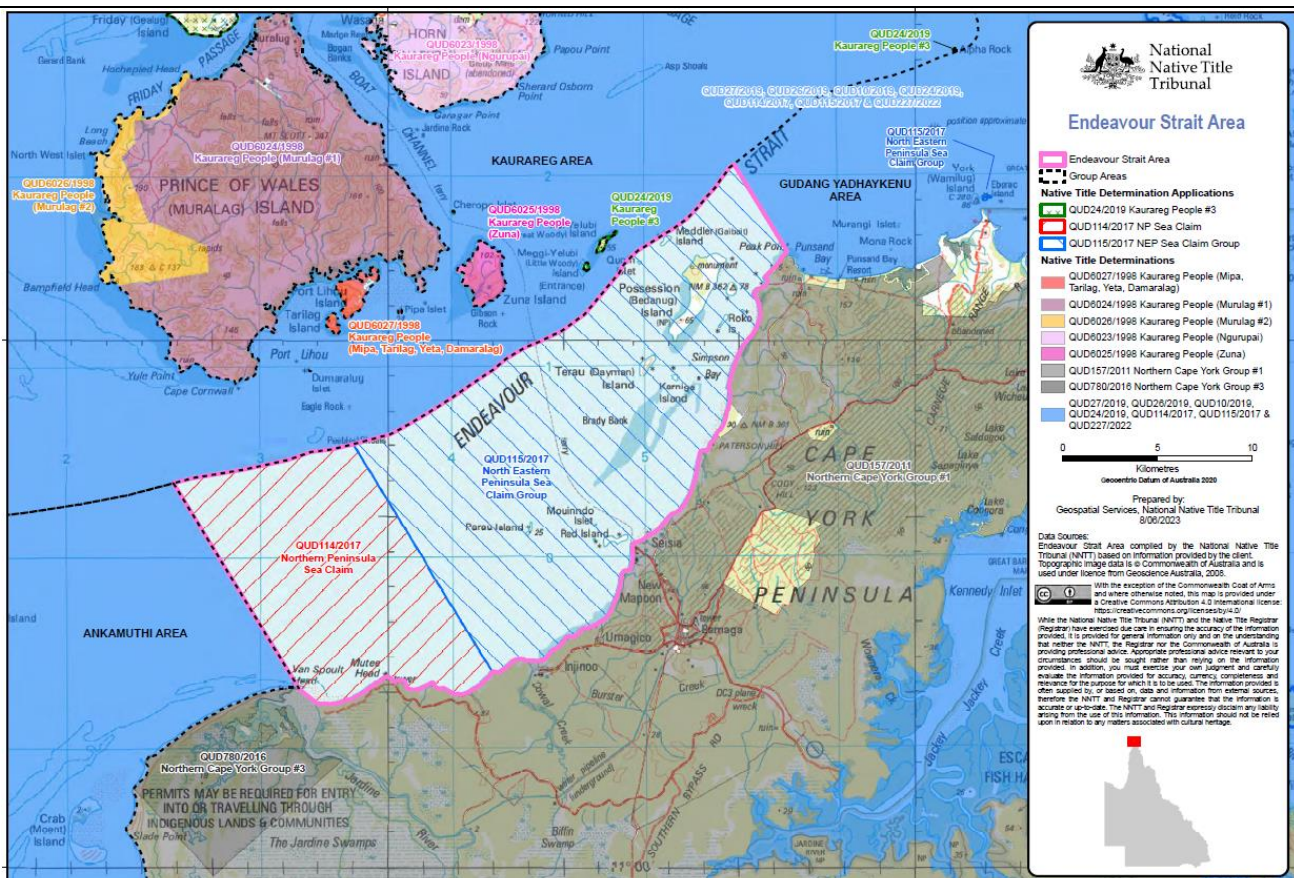

This notice is to advise that Cape York Land Council (CYLC) will hold a meeting on **Thursday 27 March 2025** in Injinoo for all members of the Ankamuthi Native Title Group. The purpose of the meeting is to discuss a proposed native title determination application (a native title claim) on behalf of the Ankamuthi Native Title Group over the areas not yet determined in the Northern Peninsula Sea Claim (QUD 114/2017) (**NP Sea Claim**) or the North Eastern Peninsula Sea Claim (QUD 115/2017) (**NEP Sea Claim**) that are part of the Endeavour Strait as shown on the map below (**Disputed Area**) and consider, if the meeting decides, to authorise the proposed native title determination application for the Disputed Area and Ankamuthi people to be the members of the Applicant for the proposed application. The CYLC lawyer assisting the Applicant in each of the NP Sea Claim and NEP Sea Claim will facilitate the meeting. Depending on the outcomes of the authorisation meeting on Thursday 27 March 2025, that CYLC lawyer will then assist the Applicant in the new claim for the Disputed Area to brief a new and separate lawyer (not employed by CYLC) to take over the running of the new native title claim.

The meeting will be held as follows:

Date: Thursday 27 March 2025

Time: 5.00pm – 8.00pm

Venue: Injinoo Hall, 54 McDonnell Street, Injinoo, QLD 4876

Purpose of the meeting

The CYLC lawyer and consultant assisting the Applicants in each of the NP Sea Claim and NEP Sea Claim will discuss with the Ankamuthi Native Title Group the process for authorising the proposed native title determination application over the Disputed Area. A native title determination application for the Disputed Area is required under the *Native Title Act 1993* (Cth) because the Ankamuthi Native Title Group members claim they alone hold native title rights and interests over the whole of the Disputed Area, and there is currently no native title claim over the Disputed Area that is made only on behalf the Ankamuthi Native Title Group.

The authorisation process for the proposed claim will also include discussion about (1) the proposed discontinuation of that part of the NP Sea Claim within the Disputed Area and the reasons why that part of the NP Sea Claim should be discontinued and replaced with a new application for determination of native title, (2) which members of the Ankamuthi Native Title Group should be nominated as members of the Applicant for the proposed native title determination application, and so be authorised to make, and to deal with matters arising in relation to the proposed application.

Following discussion of the matters outlined above, the Ankamuthi Native Title Group will be asked to consider whether to authorise the making of the proposed application for the Disputed Area and those other matters outlined above.
