CAIRNS

This notice is to advise that Cape York Land Council (CYLC) will convene a Pre-Authorisation Information Meeting on behalf of the Cape York United #1 (CYU#1) Claim Applicant on **Wednesday 22 April 2026** in **Cairns** to discuss the process for the Western Yalanji Native Title Group to authorise a proposed native title agreement for a determination of native title over the area shaded in blue shown on the map below.

Date: **Wednesday, 22 April 2026**

Time: **CANCELLED DUE TO SORRY BUSINESS**

Venue: **Rydges Esplanade Resort, 209-217 Abbott Street, Cairns**

PURPOSE OF PRE-AUTHORISATION INFORMATION MEETING

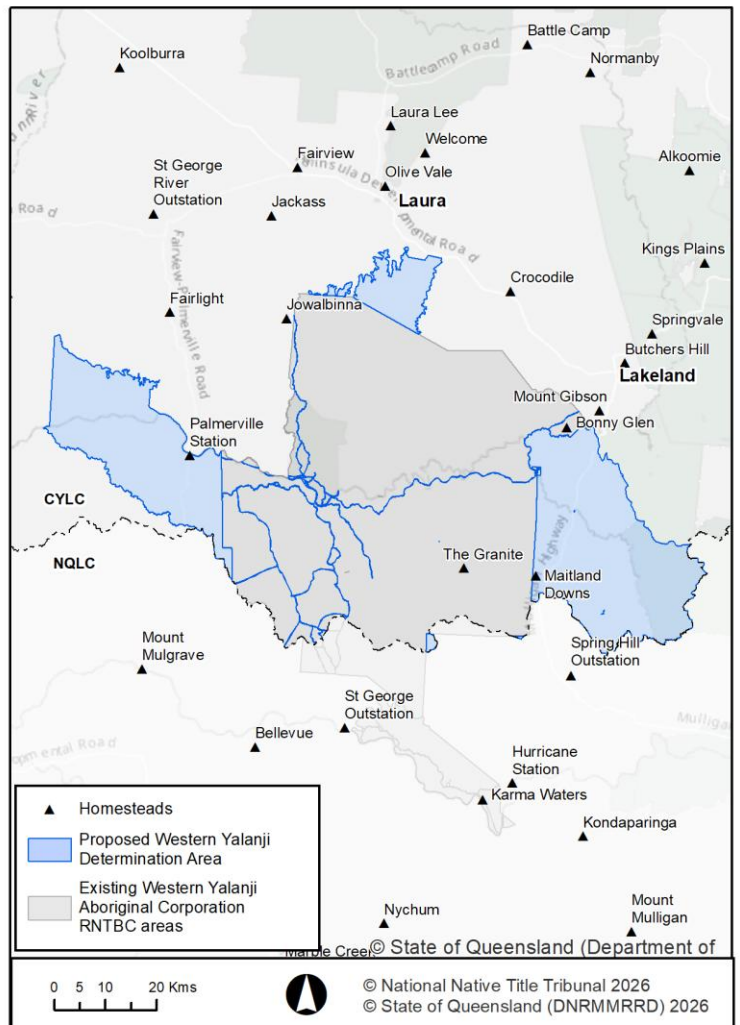

The purpose of the pre-authorisation information meeting is to provide information to the Western Yalanji Native Title Group about the terms of a draft native title agreement for a determination of native title, before the Authorisation meeting.

A determination of native title involves a decision of the Federal Court on (1) who holds native title; (2) what the native title rights are; (3) the area to which the native title rights apply after any determination is made; and (4) which corporation (PBC) will represent the members of the determined native title group. These are the main matters that are included in the proposed native title agreement and will be discussed at the pre-authorisation meeting.

On **Friday 15 May 2026**, there will be an **Authorisation meeting** where the Western Yalanji Native Title Group will be asked to consider whether to authorise the proposed native title agreement for a determination of native title. If the Western Yalanji Native Title Group decides to authorise the proposed agreement, the determination will then be sought in the Federal Court.

Please note that no decisions are proposed to be made at the pre-authorisation information meeting.
