This notice is to advise that Cape York Land Council (CYLC) will convene a decision-making **Authorisation Meeting** on behalf of the Cape York United #1 (CYU#1) Claim Applicant for the Eastern Kuku Yalanji Native Title Group to consider whether to authorise a proposed native title agreement under s.87A of the *Native Title Act 1993* for a determination of native title over the area shaded in purple shown on the **map below**. Please note that the meeting, previously scheduled for **Thursday 28 May 2026, was cancelled and is now re-scheduled for Thursday 11 June 2026 due to Sorry Business.**

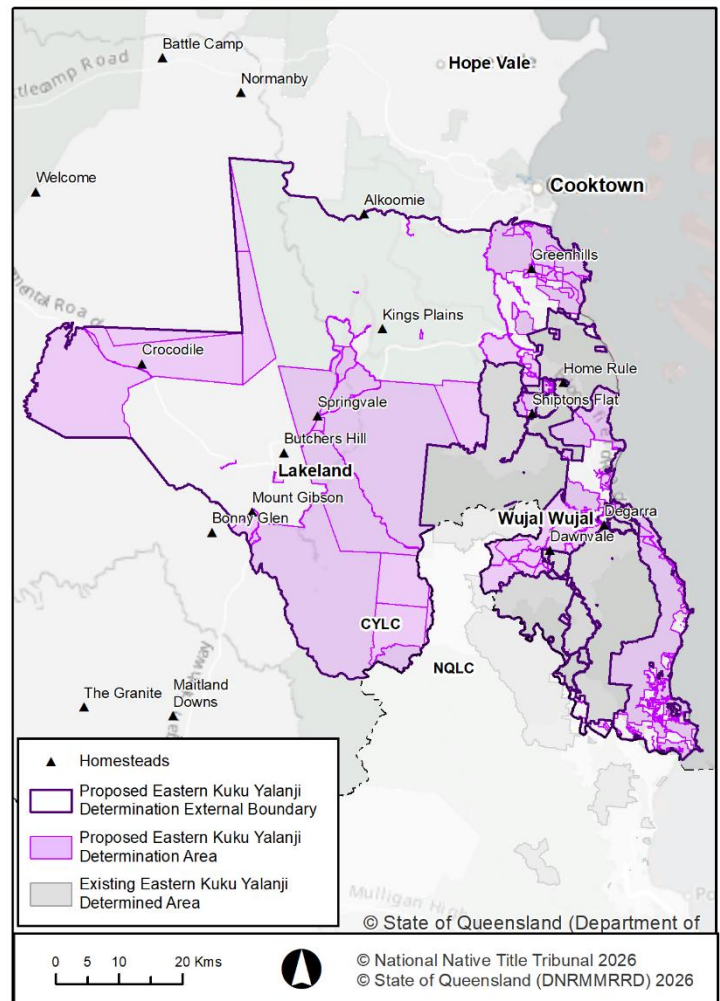

Date: **Thursday, 11 June 2026**
Time: **Registration to open from 8:30am to 9:30am**
Meeting to start promptly at 9:30am to 3:30pm
Venue: **Wujal Wujal Community Hall, Wujal Wujal Qld**

Section 87A AUTHORISATION MEETING

A determination of native title involves a decision of the Federal Court. A determination of native title means that the Federal Court determines (1) who holds native title; (2) what the native title rights are; (3) the area to which the native title rights apply after any determination is made; and (4) which corporation will represent the members of the determined native title group.

If the meeting on Thursday 11 June 2026 decides to authorise the proposed s.87A native title agreement, a determination will then be sought in the Federal Court. The Court has listed a hearing for consent determination on **Wednesday 12 August 2026** for the areas shaded in purple and identified as the "Proposed Eastern Kuku Yalanji Determination Area" on the **map**.

A copy of the proposed s.87A native title agreement for a determination of native title will be available at the meeting on Thursday 11 June 2026. At the request of the Applicant in the CYU#1 Claim, CYLC staff and consultants will be in attendance at the meeting to be available to explain matters such as the meaning and effect of the proposed agreement. Any person attending the meeting will be able to ask questions about the proposed agreement and state their views about the proposed agreement.

PURPOSE OF AUTHORISATION MEETING

The purpose of this **Authorisation Meeting** is for the Eastern Kuku Yalanji Native Title Group to decide whether to approve the proposed s.87A native title agreement for a consent determination of native title for the area shown on the **map**.  - (ii) agree to nominate the new corporation, once it is registered, to be PBC for the Eastern Kuku Yalanji People;
 - OR**
 - (b) on certain conditions, nominate an **existing corporation** to be the PBC for the Eastern Kuku Yalanji People, and so:
 - (i) make a decision (1) to specify the existing corporation to be the PBC, and (2) direct the identified corporation to take steps to make itself eligible to be appointed as the PBC by amending its rules, and to ensure it is representative of Eastern Kuku Yalanji People (by accepting new membership applications, holding new elections for directors or other matters); and
 - (ii) agree to nominate the identified existing corporation, once it has complied with the directions made by the meeting in 3(b)(i) above, to be the PBC for Eastern Kuku Yalanji People; and
 - (iii) in the event that the identified existing corporation has not complied with the directions made by the meeting in 3(b)(i) above by 22 June 2026, incorporate a new corporation as set out in 3(a) above, which corporation will be nominated to be the PBC for Eastern Kuku Yalanji People; and
