Wujal Wujal – S.24KA and S.24JAA projects and road maintenance

Decision-making meeting

Cape York United #1 Native Title Claim (QUD673/2014)

In December 2023, the town of Wujal Wujal was subject to the effects of tropical Cyclone Jasper and its subsequent flooding event. The results of the cyclone and flooding left infrastructure within the community damaged and in need of repair and / or replacement. Provided in the map below are the areas of the Wujal Wujal town area that are subject to proposed upgrades and repair works:

- building a carpark for the cemetery and extending the existing cemetery;
- upgrading township drainage infrastructure;
- installing a waste transfer facility;
- building an SES shed; and
- developing a place of refuge.

Maintenance works are also proposed on China Camp Road to repair the road. Management of this project will also be tabled at this meeting.

The proposed works fall wholly within the Cape York United Number 1 native title claim (**CYU#1**). Cape York Land Council (**CYLC**) will facilitate a meeting to discuss the cultural heritage agreement proposed for this matter, and execution of the agreement, if appropriate.
